Korean Honorifics Lesson!

Nim - A formal way of addressing someone typically older and/or more respected than you

Ssi - A formal way of addressing someone you do not know or are unfamiliar with

Nuna - A friendly way of addressing an older woman near your age if you're a guy

Hyung - A friendly way of addressing an older man near your age if you're a guy

Unni - A friendly way of addressing an older woman near your age if you're a girl

Oppa - A friendly way of addressing an older man near your age if you're a girl
Oppa is also used (though not synonymously) by girls addressing their boyfriends

Ajummie - Older woman typically aged between mid/late 30's - early 50's. Calling someone younger than mid 30's that is rather offensive

Ajasse - Older man typically aged between mid/late 30's - early 50's. Korean men, especially those in their 30's, prefer to be called hyung/oppa by those younger than him rather than Ajasse

Sunbae - Is used to address senior colleagues or mentor figures, e.g. students referring to or addressing more senior students in schools

Huiba - Is used to refer to juniors. However, the term is not normally addressed to them directly, and is mainly used in the third person.
This is nearly identical in Japanese with Senpai/Kohai honorifics

Naesin - Was used by commoners in the Joseon Dynasty to refer to people of higher status but below "His Excellency"

Seonsaeng - Commonly translated as "teacher", has much more formality and is used to show respect to the addressee. It is related to the Japanese honorific, "sensei" and shares the same pair of Chinese characters, representing master or one born earlier. [Idol]

it's about time you learn them!

TROUBLESOME
ADVENTURES

Spirit's leader
changed school
because of his girlfriend

W...what is
this? When
did they take
this picture...

You! Get
down here
now!

Now... I'll admit
that I'm not an
expert in the
customs and habits
of Earthlings.

but I'm getting
the feeling that
I shouldn't go
down there.

Hong's anger
water rises
sharply

하늘

So you
won't come
down
willingly...

Shingy

**THAT'S WHAT I WANT
TO SAY! WHAT ARE
YOU GOING TO DO
NOW? HOW ARE YOU
GOING TO FIX THIS?!**

SPRAY

Buy spray

Please don't try it at home

201. 1/2

Ugh... what do
you think you're
doing?!

음음

음음

Isn't this
for the
best?

You hold
that girl dear
to your
heart...

I never go after
girls who are
already in a
relationship.

Besides, isn't
she your little
brother's
fiancée?

Hmph! She's
too good for
an idiot like
him!

You're not
really honest,
are you?

You didn't
mean anything
you said to your
brother last
time.

The only honesty
you showed was
when you were
surprised by the
fact that your little
brother lost his
memories.

I guess it's
because we're
sharing the same
body at the
moment, but I
could tell how you
really feel.

No, I really meant
it when I said
that he was the
most useless and
the weakest.

Oh... I
see...

I guess that's
why...

I was always so
worried about him.

O...okay...

W...what I've
just said is a
secret. You'll
keep a secret,
right?

Ah!

화
판

GFYX Blush

He's my cute
little brother,
yes...

But as an older
brother and a
fellow prince, it's
also frustrating
that I won't
be chosen for the
throne.

I also want
to test
something...

So just
pretend you
don't know
anything.

?

And also
don't tell anyone
about this other
thing, okay? A
minor detail.

I got it.

I have absolutely nothing to do
with that newspaper article!
I will KILL anyone who even brings it up.

What's with
that? Why
doesn't she
just advertise
it while she's
at it?

SENJIN

She's not
even that
pretty up
close.

Hey! Who do
you think you
are, hugging and
slinging around
with Haru?

빠작

SFX: Anger

SFX: Pierce

She can see him because of the necklace Yohan gave her.

**HARU-
OPPA!**

**YEAH,
TELL US!**

**JUST TELL
US THE
TRUTH,
OKAY?!**

**IS IT
TRUE?!**

**ARE YOU
REALLY GOING
OUT WITH
THAT GIRL?!**

**IGNORANT MALE
STUDENTS**

Hold on!

**I think you
guys are
confused
about
something**

Won is actually
my cousin.

The story they came up with last night.

Wait...

So that
means...

Yeah, Seju
is also my
cousin.

That's the
real reason
I transferred
here.

Oh man, at
this rate, I'm
gonna become
too good with
lying.

That's right.
I saw him
hanging out
with Won
before.

Oh,
so...

We should be
thankful to
Seju!

I have no
idea what's
going on
here

If Hane is
really her
cousin, Seju
would have
mentioned it
to me at least

This is why
you shouldn't
trust friends

That's to be
expected

I know it
all along

Phew
I think that
worked out
well

Anyway...
Is that guy
going to be
all right?

*Not
really.*

Let me go! I
command you
to let me go!

**I can't
breathe!**

D- do you
even know
who I am?!

Of course,
right now
you're just a
sparrow in
my hand.

Yeah, second
eldest prince of
Planet B- 1052.
Prince Rhodes.

Not

Just tell me this!
why are all of you
guys coming down
to earth and
causing trouble for
everyone?!

And of all the
people on this
planet...

다

why
him?!

Huh?!

There are
other members
in his band!

you just HAD to
borrow Haru's
body and ruin
other people's
friendship, didn't
you?!

I'm going
to die...

**....EVER
EXPERIENCE
SOMETHING
LIKE THAT
AGAIN!**

*What an
incredibly
lovely girl!*

*I don't
believe it*

*He already
forgot that
she beat
the crap out
of him*

GF's asleep

Get worried about him and come to check on him.

By the way, Yohou of this town won't...

You mean what you saw?

Would you like some more bread, my lord?

feeding later

SPX (Death gland)

Um... so... I told everyone that we were cousins, so...

666

YOU...

You understand that you're responsible as well, right?

You conspired with that damn bird, and harmed an innocent bystander Ma!

You're sorry, right? Right?

Yeah...

Good

Then here's
how you can
make it up to
me...

You know
our class
representative?
Shin—ah
Yoon?

Go and ask
her to give
you a tour of
the school!
Got it?

I'm sorry

You have
to!!

How would
that... make it
up to her?

Ugh...

Here... get
me a glass of
water...

Well, that's
it for
homeroom
today.

Class rep, collect
everyone's physics
homework and
bring it to the
teachers' office.

Class rep,
huh...

She looks like
she belongs in a
movie about the
70's... what's with
her hairstyle?

Hi, I'm
the class
representative,
Shin-ah Yoon.

Huh?

I'll give you a
tour of the
school right
now. How
about it?

HEARTBEAT
500

But didn't the
teacher just tell
you to...

*Pretend you're
not interested.
Pretend you're
not interested.*

That's okay,
it's not out of
my way.

Hmm...

I see...

That's the
old school
building.

All our
extracurricular and
club activities are
held there, so if you
want to make it in
time, you have to
move pretty quickly

Thanks.. but
shouldn't you be at
the teachers' office
right now?

It's been 20
minutes

Real?!!

Oh, that's okay.
Even though I'm
"really" busy, but
it's my duty as the
class represe-
ntative.

I want to
stay with
here a bit
more

Do you, by any
chance, like our
music?

SFX: Shocked

No... sorry...
I'm too busy with
schoolwork, so I
don't know anything
about celebrities.

Endure it
endure it...

No, Sorry...

You never
heard of us?
"Spirit"?

Liar.

You're
actually a
fan, right?

N-no,
like I said...
I'm...

That
cellphone
strap...

That's the
commemorative
gift given to the
original members
of our fan club. I
remember it.

As I
thought...

It was a bit
weird that you
insisted on
giving me some
useless tour...

NO!

**THAT'S
BECAUSE THE
TEACHER ASKED
ME TO-!**

That's quite
enough!

You know...

I hate
dishonest
people the
most.

I don't care
if someone
is ugly.

...but I
really hate
comely
people.

IT WOULD BE EVEN
WORSE IF THAT
PERSON WAS A
LIAR, RIGHT?

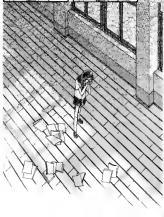

Well, if you
weren't
lying,

And you're really
a bookworm who's
too busy with
studying to care
about celebrities or
even know who I
am ... it wouldn't
matter, right?

Thanks for the
tour, but it's not
like I'm going to
stay in this
school forever.

So I don't
need to be
guided
anymore.

I can't believe
it! You made a
girl cry!

You're a
disgrace to all
men, Haruf!

Be quiet!

You recovered
that quickly?

All my life,

I've seen all
types of
people trying
to get my
attention

If they like me so
much, then they
should just be
honest and tell
me!

All they're
interested in is
not getting hurt,
so all they do is
hover around
while calculating
their chances

How can they
become my
friend when they
won't risk even
that much to get
to know me?

Haha...
you're still
young.
I see..

That's right
I'm 18.

Is it because they're
the same age? They
have that part in
common at least

Too much honesty
is not a good
thing you know..

I hope you guys
will soon realize
that excessive
luxury will only
cause even more
conflict...

An older brother's wife

Seju- Can
you come
downstairs for
a minute?

Hm?
What's
going on,
mom?

Here
Go grocery
shopping
for me.

what?!

It's too much
of a bother
Make Won do
something
like this.

Won is
already out
on another
errand.

Why do you
always try to
make your
older brother
do all the
chores?

Hey—
Servant!

Go grocery
shopping
instead of your
master.

If you want
me to wander
around this town
in these clothes,
I'll gladly do it.

Just make
yourself
invisible or
something.

They change
your clothes,
and go!

If you want
me to change
my clothes, try
taking them
off yourself!

I'll never change
my clothes!

If I do,
there'll be a
grocery bag
floating in
the air...

Damn it!

Have
fun~

Tokone was
scared that
she would
actually
take his
clothes off!

Ever since
that
Rhodes guy
appeared...

*That
idiot is
practically
living on our
roof.*

*I won't die from
sleeping on
back, my lord.*

*Hmph!
You have to eat
or you'll die.*

*He won't eat
until I've
wakes him,
and he's
sleeping on
the roof.*

*You're way too
young to
complain about
your build.*

*Oh, my
lord...*

*He must
be wary.*

*I tend to forget
about it in everyday
life but at times
like this I've
reminded that he's
really from a
different world.*

Also...

back then, that
guy called Yohar
the best Guardian...

I think I can somehow
understand what he
means by that...

ugh~

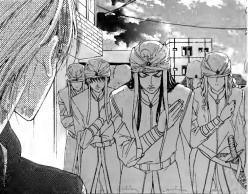

Excuse me

Are you
Lady Gu
Seju?

Huh?

We are the
Royal Guardian
Knights under
Sir Yohan's
command

It's an
emergency,
so please
follow us...

An
emergency?

Lord
Dominic is
missing.

WHAT?! WHAT
ARE YOU TALKING
ABOUT?! SO DID
YOU FIND HIM?!
WHERE IS HE?

We will
protect you,
Lady Seju.

Prince Kayan
will not
hesitate to
kill his own
brothers to
become a
prince.

Sir Yohan
is currently
pursuing
them, so...

No
way...

Lady Seju...
Would you
give me that
necklace?

Huh?

Even though it's
for your own
protection,

It would be
inappropriate for
a future queen to
wear a jewelry
given by another
man...

Oh—
Yeah,
sure.

If you
would,
please

87% Smash

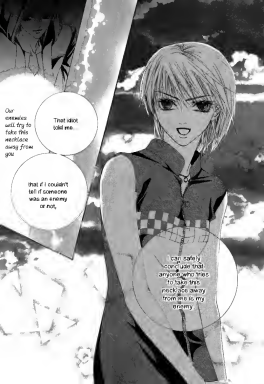

UGH!

WHAT ARE
YOU DOING?!

I almost
fell for it.

Our
mistakes
will try to
take this
world
away from
you

That idiot
told me...

that if I couldn't
tell if someone
was an enemy
or not,

I can safely
conclude that
anyone who tries
to take this
world away
from me is my
enemy

It's been a while, Captain of the Royal Guardian Knights.

SFX: Step

When did it become appropriate for Royal Guardians to leave the palace undefended on whims?

Or, for that matter, to deceive and endanger the future queen of our planet...

You are, of course, prepared for the consequences?

Sofu

Didn't you
know?

Right now, the
palace is split
between two
factions.

Those for
Prince
Kayin...

And those
for Prince
Dominic.

Prince
Kayin is both
talented and
of age.

And don't forget -
he's actually living
in the palace. It's
not surprising that
most of the court
has chosen to
support him.

No matter how capable you are,
you're still surrounded by so many enemies.

Did you think
you could give the
throne to that
weakling?

I have to

Yeah... What

You've got a

I can't believe
I have such a
convenient
vehicle! And
it's free!

I'm gonna
use it all
the time!

Since I'm the future
queen, that isn't too
much to ask, is it?

In that case,
you'd better
lose some
weight

*My arms
are about to

What did you
say, you idiot?
How dare you

I'm in for a

second morning.

Oh! It's that girl
from before!

Couldn't get
wrecked!

We'll be doing
an experiment
during 4th period.
Please prep the
physics lab for
me.

Yes,
sir.

Oh, and partner
up with Huru for
the lab.

Huh?!

She's grinning
without
realizing it.

It's a group
project, and it's a
big percent of your
grade, so other kids
probably won't want
to be in the same
group as her.

It would be bad if
he ended up
without a partner.

Why did he have
to come to this
school? He's
causing so much
trouble for all
of us...

disrupting
classes,
dragging
everyone's
grades...

This year's tough
enough already,
and he's making
it so much
worse.

Maybe he
transfer to some
other school?

Heru...

Why...

Why would
you say
something
like that?

Uh...
Shin-

How can you
say something
so horrible?

Heru hasn't
done anything
wrong!

what's

you all of a

Why is
she

Were we so
close that she
would be
crying for
us?

No, I said some
pretty terrible
stuff to her
before

Ah

Teacher
made
Shin-Ah
cry!

Shouldn't she
hate my guts?

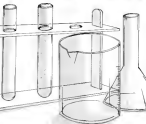

How can you do
something like
this?!

She gave her body and
soul to you for your
sake, and you're making
her cry like this?!

Hey, stop saying
stuff like that!
People might
misunderstand.
And don't
point at me!

Well then, why
don't you go help
the poor class rep
prep for lab?

LABORATORY

Gah! I really
hate myself
at times like
this!

What am I
supposed to
say to her?

I'm the one who
asked to be your
friend, and I'm
always clinging
to you...

So you
must think
I'm a joke.

Right?

Please
believe
me, I
would
never—!

That's what
I thought at
first...

But...

I couldn't
help it

**H-not
at all!**

The one that
falls for the
other first is
the one that's
going to lose.

Even if my pride is hurt,

*Even if it feels like it's unfair
to me, I can't help it*

Uuhh...

W-what?
Hay!
What's the matter?

Despite that wanting to
be closer and wanting to
stay by the other's side...
that's what it means to
like someone.

So...
that guy...

He would dare
say something
like that...

Let's see how
well he speaks
after we staple
his mouth shut!

No, don't
do it, Seiji!

It's my
fault...

100%

I should have
been even more
deceitful...

I had that phone
drop forever, so
forget about it.

Anyway
for now,

I'm really happy
that I made up
with you!

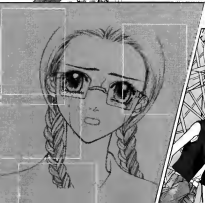

You're next,
Spirit! Please
stand by!

*I can't shake
the image of
that girl crying
earlier today*

Let's go!

Haa...

It's still
amazing

but I guess
I can try
accepting
that

That was just her
way of expressing
her feelings to
me

Um...
Sage?

Let's watch the
music video from
Spirit's second
album together.
You know, it's a
commemoration of
us making up.

I'm
completely
trapped
now...

Congratulations!

VOLUME

CHAPTER 10

You were
attacked?

Oh, it was
nothing.

When Yohan
came and said,
couple of words,
they went away.

The opponents
were adults too.

Yohan has.

Even if the
opponents were
adults, Yohan's
rank is higher.

Oh, right.

Do you want
me to tell you a
way to avoid the
Royal Army?

Huh?

Originally,
people from my
planet cannot stay
long in Earth.

We are neither
able to communicate
to human nor use our
powers in Earth.

So we use a device
that enables us to
do that. The army
probably has their
device on their
chest.

Yeah.

Oh, you mean like
Yohan's earring?

Of course they
will have it hidden,
but it will break
with enough force.

So you
are saying
I should
hit it?

Alright!
I am invincible
now!

Let the
Royal Army come
at me all they
want!!!

They are probably
not going to tell for
it twice, so use it
when it's absolutely
necessary.

If you break
the device,
they will have
to retreat for
a while.

Really?

Then when
Yohan's bring
an ass, I can just
yank off his
earring.

you can't
do that!

Even if it's
an earring,
don't even
do that.

Well, I wasn't
really going to
do it...

Alright
then.

Yohan's
earring is
like his life
to him.

??

Didn't
understand

Yohan is considered
the most powerful
King's Advisor of
the history.

When Yohan
chose Dominic as
the successor of
the throne,

there was a
rumor that Yohan
was trying to use
young Dominic
to rule the
Kingdom.

So they decided to
limit Yohan's power.

...This earring may
let you live as the
King's Advisor,
but it may kill
you as well.

Since everyone
is worried that you
will control Dominic
as you wish,

this coming will
not let you use
anything more than
the necessary
power.

this coming comes
off for some reason.
It will be considered an
act of rebellion and you
will be put to death.

Will you
accept this even
under these
circumstances?

Who...

what kind
of bullshit is
that?!

There are people who are trying to kill Won even within his own family!!

Then...

How is Yohan supposed to fight them...

I'm sorry that we pulled you into this mess.

Even though I am
now nothing but a
half-prince,

I don't want
my brothers
getting hurt.

So if you
need any help,
feel free to
ask me.

...you
and Wana
are so alike.

Strange
creatures...

That boy who
left his royal
position and
his family...

...and that
other boy who's
trying to make
hopeless boy
become a king

Royalty

until death

I love the fact
that Earth still
has all four
seasons.

It's so much livelier
than our planet's
artificially created
seasons...

...do you like
Earth that much,
Prince Rhodes?

What?
What is this all
about?!

I have
never...

It doesn't
really matter
now.

Whose side you
pick won't change
the fact that
Prince Dominic will
become the King.

However,
I won't be so kind
like my previous
King's Advisors.

I will eliminate those
who were an enemy
of Prince Dominic
once he becomes
the King.

Are you
prepared for
that?

What made
you think that I
ordered the
Royal Army?

Did they
tell you
that I sent
them?

What if they
were lying?

What if they
were trying to
make us hate
each other?

WITH THAT
ATTITUDE OF
YOURS, YOU
JUST MADE
ANOTHER
ENEMY.

You are
isolating
yourself
that way.

And that is
exactly what
Kayan wants.

It's alright to
be loyal to
your master.

However, can't
you see that the
loyalty of yours is
making the people
around you to turn
away from you?

But you are
always criticizing
Prince Dominic...

what
are you
saying?!

I only
scold him
as an older
brother
would.

Isn't it
natural for me
to sympathize
with Dominic who
has the same
mother as me?

So...
You are saying
that you want Prince
Dominic to become
the King?

COURSE!

...Huh?

SMIRK

Thank you,
Prince Rhodes.

I am now
certain that
you are not our
enemy.

How DARE
you test
me?!

I really had to
make sure who
were on Prince
Dominic's side.

I'm sorry.
I never really
believed what the
Royal Army
said but...

Favor?

This arrogant
bastard!

Please take care
of Prince Dominic in
place of me for
a while.

What?!

It seems that
the situation in our
kingdom has changed
significantly while
I was gone.

I can't trust
anyone from the
kingdom right
now.

So while I go
to the kingdom
to check...

It says our

plagiarism

**MY 2ND ALBUM:
PLAGIARISM?**
Popular dance group Spirit's
Second Album is under the
accusation of plagiarism. Netizens
claimed that Spirit's title song im-
itates three songs of the new album
from M.C. Navy's son.

What?!

Do they
know how long it
has been since our
album was out?

Plagiarism my ass!
Are singers some sort
of backup when
there's nothing to
write about?

M.C.Navy?
I have never
heard of that

Haru hyung,

It's all
natural.

He was

to take Dominic

Was I too late?*

Kayan instructed
me to do!!

Kayan?

What are you
going to do with a
boy who lost all of
his memories?

Make him sign
a form for resigning
the throne?

That's
despicable!

I do not
approve of
this!

Go tell
Kayan...

fairly when
Dominic regains
his memories.

If he doesn't,
then I will
become
his enemy.

And I can tell

That I will be

I guess
I can't do
